

6th Salisbury Cubs Newsletter September 2016

The day that Cubs was started 100 years ago is fast approaching, which means more fun as we celebrate this special birthday at some of the planned events listed below. . . . If you haven't already seen the special yellow merchandise in the Scout shop, please have a browse and stock up. There are special neckers, t-shirts, hoodies and 2 fab badges.

Our leadership team is strengthening with ongoing coaching from Croc. Shada and King Louis continue to train and the pack now has permanent support from our Young Leader, Bagheera, who comes with loads of scouting experience and knowledge of even more great games! We also have recently had the help of a great set of parent helpers which has meant that last term, we could enjoy more evenings away from the Scout hut in the great outdoors.

With such a large Cub pack, we usually need parents to stay and help so if you have the time to help out please put your name down for an evening, we appreciate your involvement and hope you agree that it is a rewarding and interesting way to spend an evening.

We will continue to use email as our main method of communicating with you all. Please also join our Facebook page and take a look at our new website, 6thsalisbury.org.uk.
