

Welcome back to Cubs after the Christmas break. I hope the Cubs are ready for more Scouting fun and adventure. This term we are recruiting for a new assistant as Dan has now moved to be a leader for our Scout Section - thank you to Dan for all his hard work last year. Croc will also be concentrating more on Beavers so we will be gradually letting him go too. I have temporary support from Waga (Explorer leader) until we can find an assistant and get a parent rota in place. The Cubs love it when parents come along and I feel supported knowing that there's more adult help in the room so please help if you can. It is a rewarding and fun way to spend an evening. Please email me or add your name to the rota below.

We will continue to use email as our main method of communicating with you all so please try to use email where you can and make sure that I know your 'best' email address. I need to know that I can write an email to you all and that it will be read fairly quickly (say an email that is checked daily) It may be that we have to change a meeting point or time for example.

Have you joined our Facebook page yet? It's a great way to see events and photos of what the pack have been up to. The camera has been passed around many Cubs as we work on the photography badge and some of the Cubs have taken really great shots. Check out the gallery page on our website [www.6thsalisbury.org.uk](http://www.6thsalisbury.org.uk).
